Sir,

I have the honor to submit for the Chief Commissioner's orders copy of the Chituldroog Deputy Commissioner's letter No 10 dated 14th Instant, regarding the valuation of Inams, and to observe that as a matter of course the larger the godi paid for an Inam the less

as valuable as the one which is valued at 10. (5)

4. I have the honor to suggest therefore that in the case of godi lands the valuation may be determined at ten times the amount of the difference between the levy or akkar and the godi or quit-rent.

I have &c.

is the value of the Inam to the holder thereof; but according to the rules &c referred to the title deed of an Inam of a higher value than that of an Inam with a small godi.

2 Beginning therefore with a full Inam with a levy of 10 Rupees, the value of the stamp will be 100 Rupees, and if out of the levy of 10 Rupees the Inamdar &c pays only a godi of one rupee it would appear that the value of this Inam for the purpose of levying stamp duty should be 9 x 10 = 90 Rupees. But by the rules in force it would be only 1 x 10 = 10 Rupees.

Sir,

I have the honor to invite your attention to the 4th Clause of Chief Commissioner's notification No 378 dated the 18th March 1878 on the subject of the stamp duty leviable, among other things, on Mysore Granditte deeds, and to inquire whether section (b) of that Clause might not be th advantageously altered.

2 The valuation of Sarvamanya lands is determined at ten times the amount of the recorded kery in Clause 4 (a) while that of Jodi lands is determined at
